EXECUTIVE SUMMARY

30 September 2004

(U) Business Appreciation Week, Frederick County (U) (MCMR-AAU).

The US Army Medical Research and Materiel Command's Associate Director, Small and Disadvantaged Business Utilization, along with the Director, USAMRAA will meet and provide information about our respective areas to representatives from Frederick County Office of Economic Development, Chamber of Commerce and County Commissioners on 30 September. The purpose of this event is to help them, as public officials and the community as a whole, to gain a better understanding of our functions from a small business and procurement standpoint. Fort Detrick's Garrison Executive Officer is the coordinator for the event.

This is another opportunity for us to reinforce our commitment to the business community as an installation and command.
